A Note from the Executive Director

As you may have noticed, we have many new employees working here at Heritage Hills. We have been fortunate enough to hire some very talented individuals who are very caring and devoted to their jobs. Many of them are still learning how our community operates. Please reach out to them and make them feel welcome.

The best part of Heritage Hills has always been the people (both residents and staff) and the relationships we have built with each other.

-Mike Ring, ED

Who am I?

I was born into a close-knit Italian family in Brooklyn, New York. My sisters, Laura and Emma, my brother, Louie and I remained the best of friends throughout our lives. It was like a holiday whenever we got together. I met my husband, Frank, when I was just a teenager. He was the love of my life. We married on June 18, 1949 and were happily married for 56 magnificent years. I worked as a legal secretary in Manhattan until my children Donna and Frank were born.
