Vinyl Sheet

Tasman

Tasman Vinyl is a multi-layer flooring solution that comes in a wide variety of patterns and with the capability for countless design possibilities.

Made in Belgium in some of the world's most efficient flooring factories, it is a high-quality solution that's ideal for a broad range of projects. You can have the look and feel of natural flooring materials without any of the hassle. A timeless look with all the warmth and comfort of vinyl underfoot.

As a New Zealand manufacturer, we endorse and recognise all rights of the consumer under the Consumer Guarantees Act 1993 (the "CGA") and further agree to match any performance guarantee or warranty offered in the marketplace, at the time of purchase, on any product which is equivalent to ours, where that performance guarantee or warranty offers rights to the consumer in addition to those under the CGA. Product images on this flyer should only be used as a guide or point of reference. Actual samples should be inspected at your nearest retailer to confirm texture and colour before making a purchase decision. It is also noted colour appearance can vary depending upon the type of light under which a sample is viewed and light sources where the flooring is installed. *Subject to proper installation and maintenance.
