

Product Health and Safety Data Sheet

Resilient Flexible Vinyl Floor Covering

New Zealand

Homogenous Sheet Vinyl

1. Identification of the substance/preparation of the company undertaking	1.1	Product Name: Maidstone PUR / Albertine PUR / Sandstone PUR	
	1.2	Company Details Godfrey Hirst NZ Ltd. 142 Kerrs Road, Manukau, Auckland PO Box 97145, Manukau City 2241	
2. Hazards identification	2.1	These products are non-hazardous	
3. Composition/information on ingredients	3.1	There are no substances in this product presenting a health or environmental hazard within the meaning of the Chemicals (Hazard Information & Packaging for Supply) Regulations	
4. First aid measures	4.1	Inhalation:	no specific measure is required
		Skin Contact:	no specific measure is required
		Eye Contact:	no specific measure is required
		Ingestion:	no specific measure is required
5. Firefighting measures	5.1	Suitable extinguishing media: Water spray jet, foam, dry powder, carbon dioxide	
	5.2	Extinguishing media that must not be used: Not applicable.	
	5.3	Special exposure hazard arising from the substance or preparation itself, combustion products, resulting gases: Hazardous combustion products: carbon monoxide and hydrogen chloride	
	5.4	Special protective equipment for fire fighting: Use respiratory protection independent of recirculated air.	
6. Accidental release measures	6.1	Personal precautions: No special measures are required	
	6.2	Environmental precautions: No special measures are required	
	6.3	Methods for cleaning up: Dispose of according to regulations	
7. Handling and storage	7.1	General information: No special protective measures are required	
	7.2	Handling: Normal safe handling practices must be applied	
	7.3	Storage: It is recommended that rolls be stored in the vertical position and restrained in position using safety chains or straps	
8. Exposure controls/ Protection	8.1	Personal protection equipment: None required	
9. Physical and chemical properties	9.1	Appearance: Solid sheet or tile in various designs/colors chemical properties	
	9.2	Odour: Odourless	
	9.3	Solubility (Water): Insoluble (Other): Soluble in Tetrahydrofuran	
	9.4	Specific Gravity: Dependant upon product type with a range between 1.25 and 1.80	
10. Stability and reactivity	10.1	General information: If stored and handled following standard industry practices no hazardous reactions are known	
	10.2	Hazardous decomposition information: Thermal decomposition will evolve toxic vapors - hydrogen chloride and carbon monoxide	
11. Toxicological information	11.1	General information: No harmful effects have been reported to date.	
	11.2	Inhalation:	Not applicable
		Ingestion:	Not applicable
12. Ecological information	12.1	Skin contact:	No known hazard
	12.2	Eye contact:	Not applicable
13. Disposal considerations	13.1	Material: Dispose of following local and national legislation	
	13.2	Contaminated packaging: Recommendation: dispose by recycling	

Product Health and Safety Data Sheet

Resilient Flexible Vinyl Floor Covering

New Zealand

Homogenous Sheet Vinyl

14. Transport information

14.1 The floorings are not classified as dangerous for transportation
