

## Press release

### **The French aerospace industry will be present at MAKS Airshow in Russia (20 – 25 July 2021)**

**GIFAS (the French Aerospace Industries Association)** will lead on the **French Pavilion (Hall D3)** a delegation of 10 French companies presenting their know-how at MAKS Airshow, from 20 to 25 July 2021 on the **Zhukovsky** site, near Moscow.

With this French Pavilion, GIFAS is resuming its activity of representing and defending the interests of the French aerospace industry abroad.

The exhibiting companies include prime contractors, equipment manufacturers, SMEs and maintenance specialists.

During this 2021 edition, will be present, and supported by GIFAS on the French Pavilion, the following exhibitors: **ADR, ALKAN, AXON’CABLE, CLIMATS, KALISTRUT AEROSPACE, MERSEN, RAFAUT GROUP, SEREME, SOPEMEA, TRELLEBORG SEALING SOLUTIONS.**

In addition, **AIRBUS** and **POWER JET (Safran Group)** will exhibit on their own stand.

***About GIFAS:*** *The French Aerospace Industries Association (GIFAS) was created in 1908. It is an industry body that brings together more than 400 companies ranging from the main prime contractors and system suppliers to SMEs. They form a cohesive, hard-driving high-technology sector specializing in the design, development and construction, marketing and maintenance of all aeronautical and space programmes and equipment, both civilian and military planes and defence and security systems.*

*GIFAS represents an industry whose 2020 sales turnover was € 50,9 bn, and that exports 81% of its output and, directly employs 194 000 individuals.*

*GIFAS organizes the International Paris Airshow every two years, which is the world’s premier aerospace event. The 54<sup>th</sup> Paris-Le Bourget Airshow will run from 19 to 25 June 2023.*
