

# Smooth, simple ordering

A streamlined customer experience for gift card orders with efficient ordering and payment processes.

## – PAYMENT OPTIONS

### – ACH, WIRE OR CHECK PAYMENTS

#### 1. Place an order

To get payment instructions for a wire transfer, check or ACH payment, you'll first need to place an order.

#### 2. Print the invoice

Once the order is placed, download and print the invoice as it contains the wire/ACH/check information needed to initiate payment with your bank.

### – CREDIT CARD PAYMENTS

1. Credit card payments may not be available for all companies.
2. Credit card limits apply for first time orders. Once an order history has been established, the limit may need to be increased.
3. Credit card limits affect your whole company. So if there are multiple people from your company who order with credit cards, please plan ahead to prevent delays.
4. Credit card limits are weekly. If you are over your limit, you'll be able to order additional cards in 7 days or consider an alternative payment method.

## – SHIPPING OPTIONS

### FedEx deliveries

Standard, and expedited deliveries. FedEx offers the fastest way to get cards in your hands.

### USPS individual mailing

Standard in mailing individual reward cards anywhere in the US.

### Digital fulfillment

Our digital gifts are available within minutes of funds clearing.

## – FUNDS AND BANKING INFORMATION

### – PAYMENTS BY WIRE

We process all recieved wires within minutes of receipt, ensuring speedy delivery of your ordered gift cards.

Once the wire transfer has been successfully received, you can expect your gift cards to be processed and shipped in no time.

### – ACH'S & CHECKS

Payments by ACH and check require a clearance period of 5 business days prior to processing orders. This standardized timeframe ensures secure and accurate transaction processing.

### – CREDIT CARDS

Credit card payments are made per order at the time of check out once approved for your account. This seamless transaction experience ensures efficient and secure handling of payments for your convenience.
