# hovia

Standard paper

Our most popular paper type. Our standard paper is a non-woven paper, breathable by nature and stronger gram for gram than standard papers. With a softly-textured feel our standard paper boasts:

Sharp print definition with a matte finish

Excellent colour vibrancy

Easy installation and easily removeable

Durable, tear resistant and light resistant

Non-toxic toner

Environmentally friendly and sustainably sourced FSC Certified Paper

Washable surface

Breathable material helps prevent moisture locking and the build up of damp
