

Self Adhesive

No paste required. Simply peel off the back of each strip and stick to the wall. This is a smooth, non-woven wallpaper that's suitable for rented spaces, and is an easy-to-apply alternative to traditional wallpaper. We take pride in our Self Adhesive wallpaper's traits:

Sharp print definition with a matte finish

Excellent colour vibrancy

No-mess installation and DIY friendly

Suitable for short or long term use

Washable surface

Durable and tear-resistant

Non-toxic toner

Environmentally friendly and PVC free
FSC Certified Paper

Smooth material

Non-woven paper with adhesive backing
