HAND PROTECTION

General Purpose Gloves with a Dual-Coating for Dependable Protection Against Liquids

Description

Built for dependable hand protection, enhanced grip, and liquid-resistant coverage across both the palm and back of hand, these general-purpose gloves feature a lightweight 15-gauge seamless polyester shell with a full smooth nitrile coating for excellent coverage and durability. A second palm coating of black Mach Finish nitrile provides superior grip performance in dry, wet, and lightly oily environments, helping workers maintain control and productivity. The flexible knit construction delivers outstanding comfort and dexterity, while the knit wrist helps keep debris out for a secure fit. Ideal for material handling, maintenance, assembly, and general industrial tasks.
