

SEALED OVER-THE-GLASSES

Lightweight dielectric safety glasses that fit over prescription eyewear

Designed for workers and visitors who wear prescription glasses, the Bullhead Safety® Sealed Over-the-Glass Safety Glasses deliver dependable protection without compromising comfort. The lightweight, metal-free dielectric design fits comfortably over most RX eyewear, while the sealed frame with a lens gasket helps reduce dust and debris intrusion in demanding work environments. An anti-fog polycarbonate lens maintains clear visibility, and adjustable four-point ratcheting temples with a removable elastic retention strap provide a secure, customizable fit. With a frameless wraparound design for enhanced coverage, these over-the-glass safety glasses are an ideal solution for regulated work areas where reliable eye protection is essential.

LENS OPTIONS

☐ Clear ☒ Gray
