

Glovezon-Pack-A

Sealing kit for securely attaching chemical gloves to sleeves

A barrier between gloves and chemical suits, compatible with all unsupported gloves and requiring only 30-35cm glove length. All components are reusable, and the system allows for glove size selection, fitting all sleeved Skytec garments.

Features

- ▲ Makes donning and doffing secure and easy
- ▲ Provides a totally splash-proof seal at sleeve ends, preventing injuries to the wearer.
- ▲ Reusable, cost effective solution

Suitable industries & applications

Industries

- ▲ Chemicals

Applications

- ▲ Chemical Handling and Containment
