BULLHEAD SAFETY®
EYE PROTECTION

MAKI®

Stylish sport design safety glasses for serious protection with secure grip and optional foam seal against airborne hazards

The Maki® safety glasses combine sport-inspired styling with serious workplace protection. Featuring dual 8-base curve lenses, dual-injected TPR temple ends, and embedded rubber nose pieces, they deliver a secure, slip-resistant fit and all-day comfort. Premium polycarbonate construction and 100% virgin materials provide outstanding durability and optical clarity, while the optional BH14G flame-resistant foam gasket helps create an additional seal against airborne particles and debris. Ideal for manufacturing, construction, maintenance, and general industrial applications, the Maki offers the perfect balance of style, comfort, and performance.

LENS OPTION

- Gray

FEATURES

- Sport-inspired design delivers a modern, professional look, encouraging consistent wear without sacrificing protection
- Dual 8-base curve lenses provide excellent visual correctness and extended coverage, enhancing workplace safety
- Wraparound lens design helps protect from hazards from multiple angles, improving overall eye protection
- Dual-injected TPR temple ends create a secure, slip-resistant fit
- Embedded rubber nose pieces enhance comfort and stability, reducing movement during active tasks
- Premium polycarbonate construction offers lightweight durability, delivering dependable impact protection
- Made from 100% virgin materials for exceptional optical clarity, helping reduce distortion and support clear vision
- Compatible with the BH14G flame-resistant foam gasket
