FEATURES

- Type 2 industrial safety helmet designed for use on the ground, at heights, and in confined spaces
- Made with ABS material to provide an ultra-lightweight, rigid product with weather/chemical resistance, and nonconductive properties
- Ergonomic, stylish, climbing style design provides the protection you need while staying lightweight and allowing increased airflow
- Protects from front, side, and rear impacts
- Adjustable vents allow for vents to be open or closed
- Padded channel vented EPS foam-lined
- Pre-installed adjustable four-point chin strap
- Proprietary design and mold
- Accessory slots fit most cap mounted earmuffs and accessories
- Headlamp slots on the side allow attachment of headlamps with elastic bands
- Soft, padded headband that also wicks sweat keeping you cool, comfortable, and dry
- Sizing – Fits hat sizes from 6.5 to 8
- Each protective helmet is individually packaged in a retail ready box

Premium lightweight comfort fit suspension, featuring:

- Soft, padded suspension that also wicks sweat keeping you cool, comfortable, and dry
- Pivoting rear ratchet with EZ-click retention dial system to provide a secure fit for different head shapes and sizes
- Pre-assembled

Meets ANSI/ISEA Z89.1-2014 standards

- Type 2 | Class C
