CUT PROTECTION

TRC784

Ultra lightweight, extreme cut resistant gloves with nitrile foam grip

The TRC784 is a very light weight glove (18 gauge) providing outstanding cut protection and high dexterity in the most risky applications. Equipped with a thin, breathable and long lasting nitrile foam coating to enhance your grip, the TRC784 is ideal for all precise applications.

Features

- 18 gauge seamless liner offers comfort and high fingertip sensitivity
- HPPE on the inside provides comfort and protection
- Fully encapsulated enables extreme cut protection against burrs and sharp edges
- Reinforced thumb crotch enhances durability
- Designed for easy movement and continuous wear
- Touchscreen compatible for use with screen devices

20g CO_2 savings
