CG5

4-in-1 convertible safety goggles with Performance Fog Technology for superior clarity in any work environment

The CG5 Convertible Safety Goggle offers exceptional versatility with a 4-in-1 design that adapts to a wide range of workplace environments. Wear it as traditional safety glasses, safety glasses with a strap, foam-lined safety glasses, or full foam-lined goggles to match changing job requirements. A removable foam gasket helps provide additional protection from dust and airborne debris, while the wide adjustable strap and included temples allow for quick, easy conversion. Featuring a single-mold 10-base curve lens for excellent coverage and peripheral vision, the CG5 delivers comfort, flexibility, and dependable protection throughout the workday.

LENS OPTION

- Indoor/Outdoor

FEATURES

- PFT lens: This water-washable, hydrophilic anti-fog lens coating is bonded to the lens to absorb moisture and evenly disperse it.
- 4-in-1 design converts between safety glasses and goggles for versatile protection
- Wear as glasses, foam-lined glasses, strapped glasses, or full goggles
- Removable foam gasket helps shield against dust and airborne debris
- Wide adjustable strap provides a secure fit during active work
- 10-base curve lens delivers broad coverage and excellent peripheral vision
- Included temples and strap allow quick configuration changes on the job
- Single-mold lens offers clear, distortion-free visibility across the work area
