

4520V

Disposable 3-panel fold flat respirator - FFP2V

The 4500 Series is the newest addition to Skytec's range of premium respirators. Featuring premium European-Made filter media across valved and unvalved variants, the 4500 Series range provides low breathing resistance and excellent Face Fit Factor.

Features

- ▲ Premium disposable fold flat respirator for easy storage, donning and doffing
- ▲ Secure, metal-free harness system with colour coded textile elastic for easy identification of FFP level
- ▲ Soft, flexible and adjustable nose bridge for increased fit factor and comfort
- ▲ Multilayer electrostatic filter media for high-performing filtration with low breathing resistance
- ▲ Full-width internal faceséal, made from soft touch PVC for high comfort
- ▲ Ergonomic design for a secure fit on a wide range of face shapes
- ▲ High flow exhalation valve for low breathing resistance, colour-coded for easy identification of FFP level
- ▲ Contoured noseséal for high compatibility with other types of PPE

Certifications
