BULLHEAD SAFETY®
EYE PROTECTION

PICUDA®

Customizable safety glasses built for comfort with telescoping temples and non-slip nose piece for secure, all-day wear

The Picuda® safety glasses are designed to deliver a personalized fit, dependable protection, and all-day comfort. Featuring telescoping temples and a soft, non-slip TPR nose piece, they provide a secure, customized fit for a variety of users. Dual 9-base curve lenses offer exceptional side coverage and enhanced peripheral vision, helping protect workers from hazards in dynamic environments. Lightweight and comfortable, the Picuda is an excellent choice for manufacturing, construction, maintenance, warehouse, and general industrial applications where performance and wearability matter.

LENS OPTION

- Indoor/Outdoor

FEATURES

- Telescoping temples provide a customized fit, allowing users to adjust the eyewear for enhanced comfort and stability
- 9-base curve dual lenses offer superior side coverage, helping protect against hazards from multiple angles
- Wraparound lens design enhances peripheral awareness, supporting improved visibility and workplace safety
- Soft TPR nose piece delivers a secure, non-slip fit, helping keep eyewear comfortably in place during active tasks
- Dual-lens construction provides excellent optical clarity, promoting clear, distortion-free vision
- Lightweight design reduces wearer fatigue, making the glasses comfortable for extended periods of use
- Ergonomic fit encourages consistent safety eyewear compliance
- Versatile design is suitable for a wide range of applications
