BULLHEAD SAFETY®
EYE PROTECTION

DORADO®

Contemporary full frame safety glasses with dual lenses for 100% visual correctness and no-slip comfort fit

The Dorado® safety glasses combine contemporary styling, dependable protection, and exceptional comfort for demanding work environments. Featuring dual 8-base curve lenses for outstanding visual correctness, a full-frame design for enhanced coverage, and comfort-fit rubber temples and nose pieces for a secure, non-slip fit, the Dorado is built for all-day performance. Constructed from premium polycarbonate and 100% virgin materials, these lightweight safety glasses deliver clarity, durability, and versatility. An optional flame-resistant foam gasket (BH9G) is also available for added protection.

LENS OPTION

- Blue Mirror

FEATURES

- Dual 8-base curve lenses provide excellent optical clarity and visual correctness
- Contemporary full-frame design offers enhanced coverage, helping shield eyes from multiple angles
- Wide-fit frame comfortably accommodates a variety of face shapes and sizes, improving overall fit and wearability
- Comfort-fit rubber temples help prevent slipping, keeping eyewear securely positioned throughout the workday
- Soft rubber nose pieces enhance comfort and stability, reducing pressure points during extended wear
- Lightweight construction minimizes wearer fatigue, making the glasses ideal for all-day use
- Premium polycarbonate lenses and frame deliver durable impact protection while maintaining a lightweight profile
- Compatible with the optional BH9G flame-resistant foam gasket
