Description

Stay cooler and more comfortable in hot working conditions with this Bullhead Safety® Cooling towel. Made from ultra-absorbent PVA material, this reusable evaporative cooling towel delivers refreshing cooling relief to help workers manage heat stress during demanding tasks. This blue towel includes antimicrobial treatment to help keep the towel fresh between uses. Measuring 13 inches wide by 33.5 inches long, its versatile size allows it to be comfortably draped, hung, or tied around the neck for convenient hands-free cooling. Each towel is individually packaged in a reusable container, making it ideal for retail sale, storage, and repeated use.
