

Torq™ Storm Economical Goatskin Leather Gloves with Cut and Impact Resistance

Description

Engineered for performance, this glove combines protection, comfort, and durability. Constructed with standard goatskin leather, it offers excellent dexterity and abrasion resistance. A 360° Tuffalene® UHMWPE inner liner provides superior cut protection while keeping hands cool and comfortable. Ergonomically placed impact panels on the fingers and back of the hand absorb shocks without compromising flexibility. The keystone thumb design enhances durability, while double-stitched aramid thread reinforces high-wear areas for long-lasting use. Additional features include a shirred elastic back for a snug fit, cotton fabric cuff binding for comfort, and an anatomical shape to reduce hand fatigue—making this glove ideal for tough, high-impact tasks.

INDUSTRY

Aircraft Operations	General Labor
Airfield Operations	Demolition
Highway Work	Drilling
Highway Construction	Boring

ITEM **SKG00099A** SIZES **6(XS)-12(3XL)**

Features

- Soft, economy-grade grain goatskin leather is comfortable and abrasion resistant
- Tuffalene® UHMWPE inner liner offers 360-degrees of high cut protection and comfort
- Soft, flexible impact protection over the fingers and metacarpal bones provides tough protection while the ergonomic panels ensure maximum dexterity
- Shirred elastic back ensures a snug fit and helps to keep elements out
- Cotton fabric binding on the cuff
- Ergonomic keystone thumb improves durability, comfort, and dexterity while reducing hand fatigue
- Sewn with aramid fiber for added durability and cut resistance
- Anatomical design helps prevent hand fatigue
- Open cuff allows for easy donning and removal
- EN 388:2016 + A1:2018 Levels: 3X32FP

Meets ANSI/ISEA 105-2016 standard

- Cut Level A6
- Abrasion Level 4
- Puncture Level 3

Meets ANSI/ISEA 138-2019 standard

- Impact Level (Knuckles): 1
- Impact Level (Fingers/Thumb): 1
- Impact Level (Overall): 1
