

GLO-ES1

Lightweight High-Visibility Yellow/Green Elastic Traffic Safety Sash

This simple yet effective safety sash provides enhanced visibility to workers not required to wear ANSI/ISEA 107-2020 approved safety apparel. The X-back design gives an easy way to identify a worker who has fallen face down. It also helps distinguish if a worker is facing your direction or walking away.

Features

- ▲ Made with elastic and polyester for extra comfort
- ▲ Silver reflective material enhances low-light visibility
- ▲ High-visibility yellow/green
- ▲ X-back design allows for easy identification
- ▲ Adjustable elastic waist and chest

Suitable industries & applications
