EC Directive 89/686/EEC

EC Type-examination

Issue 1

PPE Product

Skytec® Argon knuckle coated gloves (the coating covers palm, front & back of the fingers & thumb including the knuckles), machine knitted nylon gloves with the Vinyl-HPT WINTER (Hydropellent Technology - Sponge Touch) coating (light foam sponge with a rough surface finish), which have integral knitted wrists, attached inserted mixed fibre Terry knit linings and are available in six nominal hand sizes

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to be in accordance with the requirements of Council Directive 89/686/EEC. When examined the PPE satisfied the requirements in the relevant harmonized standard:

EN 388:2003 (Protective gloves against mechanical risks) for a performance classification of 3,2,3,2;

EN 511:2006 (Protective gloves against cold) for class 0,2,0;

The manufacturer's information notice (Skytec Argon, user information), in English, has been inspected and found to have addressed all of the relevant requirements of the standard. However, the detailed content of the information notice is the responsibility of the manufacturer, as are translations into other languages.

Certification is based on technical file specification PSL.TF.GS.PD/KD-ST4000-N7KT-INS, issue 3 with supplement.
