KAKU®

Classic style safety glasses offer maximum protection with telescoping temples and boxed-off side shields

The Kaku® safety glasses deliver dependable protection in a classic, easy-to-wear design. Featuring a 4-base curve lens, adjustable telescoping temples, and transparent boxed-off side shields, they provide a customized fit along with enhanced side impact protection and peripheral visibility. Lightweight and comfortable for extended wear, the Kaku is an ideal choice for workers seeking reliable eye protection in manufacturing, maintenance, laboratory, and general industrial environments.

LENS OPTION

- Yellow

FEATURES

- Classic 4-base curve design offers a professional fit, making these safety glasses comfortable and easy to wear
- Telescoping temples provide an adjustable, customized fit, enhancing comfort for a wide range of users
- Transparent boxed-off side shields help protect against side impacts, delivering added coverage
- Improved peripheral visibility supports greater situational awareness, helping workers stay alert to nearby hazards
- Extended side protection helps reduce exposure to airborne particles and debris, increasing overall workplace safety
- Lightweight construction promotes all-day comfort, reducing fatigue during prolonged wear
- Durable design stands up to everyday industrial use, providing reliable performance across a variety of applications
