JAVELIN™

Close-fitting wrap frame safety glasses for maximum protection with slip-resistant temples and nose

The Javelin safety glasses are engineered for workers who need dependable protection and all-day comfort. Featuring a close-fitting wraparound frame and dual 8-base curve lenses, they provide superior orbital coverage, excellent visual clarity, and enhanced peripheral awareness. Dual-injected TPR temple ends and a soft nose piece deliver a secure, slip-resistant fit, making the Javelin an excellent choice for manufacturing, construction, maintenance, warehouse, and general industrial environments where performance and comfort are critical.

LENS OPTION

- Brown

FEATURES

- Close-fitting wraparound frame provides superior orbital protection
- Dual 8-base curve lenses deliver excellent visual correctness and wide-angle visibility, enhancing awareness on the job
- Contoured lens design offers extended coverage, reducing exposure to airborne debris and other common workplace hazards
- Dual-injected TPR temple ends create a secure, slip-resistant fit, helping eyewear stay in place during active tasks
- Soft TPR nose piece enhances comfort and stability, minimizing movement and improving all-day wearability
- Lightweight construction promotes long-lasting comfort, helping reduce fatigue during extended shifts
- Wraparound lens and frame design combine protection with a modern profile, suitable for a wide range of applications
- Designed for maximum performance in demanding environments
