

CHROMIS™

Wrap-around style safety glasses with certified anti-fog technology and dual-injected comfort grip

The Chromis is a lightweight half-frame design with a 10-base curve wrap-around lens that features dual-injected TPR inner temples for non-slip grip and TPR brow lined to provide flexibility while maintaining durability. This model also features a PFT lens. Thanks to its chemical and physical properties, Performance Fog Technology is an anti-fog lens coating that is permanently bonded to the lens to prevent the formation of condensation on the lenses by absorbing the humidity drops. Meets ANSI/ISEA Z87.1-2020 anti-fog properties standard

LENS OPTIONS

- Clear
- Gray
- Indoor/Outdoor
- Blue Ice Mirror

FEATURES

- AF - Anti-Fog lens: FSI brand hydrophobic anti-fog lens treatment greatly reduces fog in hot, humid, and variable temperature environments
- PFT - Performance Fog Technology lens: Better than traditional anti-fog! This water-washable, hydrophilic anti-fog lens coating is permanently bonded to the lens to absorb moisture and evenly disperse it, providing clear, fog-free vision
- Dual-injected inner temples for non-slip grip
- Dual-injected brow lined for frame flexibility without sacrificing durability
- Temple ends feature a high-visibility alien green color for better visibility
- Wrap-around lens with 10-base curve
- Flexible and lightweight half-frame design
- Soft, non-slip TPR nose piece
- Soft, non-slip TPR nose piece

* Selected lens options only
