BULLHEAD SAFETY®
EYE PROTECTION

CHROMIS™

Wrap-around style safety glasses with certified anti-fog technology and dual-injected comfort grip

The Chromis safety glasses combine anti-fog performance with lightweight, all-day comfort. Featuring a 10-base curve wrap-around lens for enhanced coverage and peripheral vision, these glasses are equipped with dual-injected TPR inner temples and a soft nose piece for a secure, non-slip fit. The flexible half-frame design and high-visibility temple accents provide the ideal balance of comfort, durability, and style, making the Chromis an excellent choice for demanding industrial environments where clear vision and reliable protection are essential.

LENS OPTION

- Gray

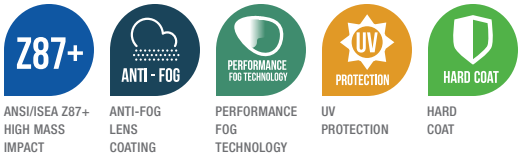

FEATURES

- Anti-fog technology helps maintain clear vision in humid and temperature-changing work environments
- 10-base curve wrap-around lens provides exceptional coverage and peripheral visibility
- Dual-injected TPR inner temples deliver a secure, non-slip grip for improved fit during active work
- Dual-injected brow guard enhances frame flexibility while maintaining the durability needed for demanding applications
- Lightweight half-frame design reduces wearer fatigue for comfortable all-day use
- Soft TPR nose piece offers superior comfort and stability, helping prevent eyewear from slipping during movement
- High-visibility alien green temple accents increase eyewear visibility, making the glasses easier to locate on the job
- Durable construction combines flexibility, comfort, and protection
