Description

This premium three-piece rain suit is made with black 0.18 mm PVC coated 190T nylon. All seams are taped for wind and water protection; while the yellow trim increases visibility. Jacket features a detachable drawstring hood, breathable mesh interior, adjustable drawstring waist, elastic inner sleeve ends, two outside pockets with hook-and-loop closures, plus a zipper and snap closure with a storm flap. Rain pants feature an adjustable drawstring elastic waist, elastic inner ankle ends, and side pocket access.

Each item is individually packaged with hanging grommets for retail sale.

Bibs features

- Elastic waist with drawstring
- Elastic inner ankle ends
- Easy side access to pockets in clothing worn underneath
