

RILEY®

VELIA SERIES

Wide fov safety goggles with impact resistant lens

Riley Velia safety goggle with a clear wraparound lens for 180° field of vision while providing impact resistance & molten metal splash protection. The goggle features a padded face seal & a soft PVC/TPE frame with a comfort fit nose bridge for enhanced comfort. The pivoting head strap & optional buckle head strap allow for easy fitting, even when wearing a helmet. The adjustable elasticated head strap ensures a secure fit & the Velia comes with a spare rubber strap for cleanroom use. The goggle can be worn over a prescription frame, making it suitable for glasses wearers.

~~Recommended for industries such as manufacturing, engineering, DIY, construction, & warehouse & logistics. It is ideal for industrial~~
