bass™

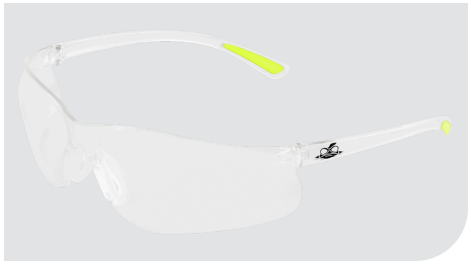

Lightweight wrap design safety glasses with anti-fog clarity and all-day comfort for maximum protection

Combining lightweight comfort with dependable protection, the Bass® safety glasses feature a sleek wraparound design that delivers excellent coverage and full 180-degree peripheral vision. The 9.5-base curve single-lens construction, soft rubber temple ends, and comfortable rubber nosepiece provide a secure fit for all-day wear, while premium polycarbonate lenses and frames made from 100% virgin materials offer outstanding clarity, durability, and performance in industrial, manufacturing, and general safety applications.

LENS OPTION

- ◯ Clear

FEATURES

- AF (Anti-Fog) lens: FSI brand hydrophobic anti-fog lens treatment reduces fog in many variable temperature environments
- 9.5-base curve single-mold lens design provides a wide field of view for enhanced visibility and workplace awareness
- Wraparound styling delivers extended side coverage and 180° peripheral vision, helping improve protection
- Lightweight construction promotes all-day comfort and reduces wearer fatigue
- Soft rubber temple ends enhance fit and comfort, helping keep eyewear securely in place throughout the workday
- Rubber nosepiece provides a comfortable, non-slip fit for increased stability
- High-quality polycarbonate lens and frame construction offer durable impact protection without adding unnecessary weight
- Made from 100% virgin materials for superior optical clarity and quality
