SKYTEC™

COLD PROTECTION

Argon

Double insulated glove with flexible PVC HPT coating

Featuring a soft, thermal lining & a durable HPT foam coating that extends across the knuckles, Argon provides excellent warmth, grip & protection even in damp environments.

Features

- Durable glove that remains flexible to temperatures as low as -50°C
- Encapsulated air molecules provide an inherent cushioning effect
- Hydropellent Technology repels liquids
- Secure grip in wet & dry environments
- Enhanced protection to palm, fingers & knuckles
- Excellent dexterity, flexibility & durability
- Silicone-free
