BULLHEAD SAFETY®
EYE PROTECTION

SPEARFISH®

Flexible, vented half-frame frame safety glasses with 8-base curve lenses for all-day comfort

The Spearfish® safety glasses are engineered for workers who need lightweight comfort and dependable protection throughout the workday. Featuring a flexible half-frame design that contours to the natural shape of the head, the Spearfish delivers an exceptionally comfortable fit without sacrificing durability. Dual 8-base curve polycarbonate lenses provide outstanding visual clarity and coverage, while vented temples, a TPR nose piece, and slip-resistant TPR temple ends enhance airflow, stability, and all-day wearability. With lenses constructed from the highest quality polycarbonate and frames made from durable nylon, the Spearfish is an excellent choice for many industrial applications.

LENS OPTIONS

- Brown
- Clear
- Silver Mirror
- Blue Mirror
- Gray
- Yellow
- Indoor/Outdoor

FEATURES

- Flexible half-frame design contours naturally to the head, providing a comfortable fit that supports extended wear
- Lightweight construction helps reduce fatigue, making these glasses ideal for all-day use in demanding work environments
- Dual 8-base curve lenses deliver excellent visual clarity and coverage, enhancing protection and workplace awareness
- Vented temples promote airflow and help reduce heat buildup, improving comfort during long shifts
- TPR nose piece provides a secure, comfortable fit, helping minimize pressure points and eyewear movement
- TPR temple ends offer a slip-resistant grip, helping keep eyewear in place
- Premium polycarbonate lenses provide durable protection, while the nylon frame offers flexibility and long-term durability
- Made from 100% virgin materials for superior optical quality
