BULLHEAD SAFETY®
EYE PROTECTION

PAVON®

Traditional wrap design safety glasses with 10-base curve lens and rubber temple sleeves for all-day comfort and protection

The Pavon® safety glasses combine traditional styling with dependable workplace protection and all-day comfort. Featuring a lightweight design, 10-base curve single-mold lens, and integrated nosepiece, they provide wraparound coverage and a secure fit for a wide range of applications. Soft, non-slip TPR temple ends help keep the glasses comfortably in place, while premium polycarbonate construction and 100% virgin materials deliver outstanding durability and optical clarity. Ideal for industrial, manufacturing, warehouse, and maintenance environments, the Pavon offers reliable performance day after day.

LENS OPTION

- Blue

FEATURES

- Lightweight design promotes all-day comfort, helping reduce wearer fatigue during extended shifts
- 10-base curve single-mold lens provides wraparound coverage, enhancing protection and peripheral awareness
- Traditional wrap-style design delivers dependable protection, making these glasses ideal for a variety of applications
- Integrated nosepiece offers a secure, comfortable fit, eliminating pressure points and simplifying wear
- Soft TPR temple ends provide a non-slip grip, helping eyewear stay in place during active work
- Premium polycarbonate lenses and frame deliver durable impact protection while maintaining a lightweight profile
- Made from 100% virgin materials for exceptional optical clarity
- Versatile design balances comfort, protection, and durability
