

Lightweight wrap design safety glasses with anti-fog clarity and all-day comfort for maximum protection

With traditional styling in a 9.5-base curve single mold lens, rubber temple ends and a rubber nosepiece, the Bass safety glass is lightweight for all-day wear. The wrap style affords maximum protection and full 180-degree peripheral acuity. Lens: Clear Anti-Fog Frame: Frosted Clear Technology: All Bullhead Safety® Eyewear is made from 100% virgin materials. This style features lenses and frames constructed with the highest quality polycarbonate.
