

FRBH-EIWA

Chem FR boilersuit with hood, elasticated inner wrists and ankles

Chem FR is specifically developed to offer additional protection from electrostatic, heat, and flame hazards. Cotton is included in the fabrics backing material providing additional comfort to wearers, while a PVC coating provides optimum chemical protection.

Features

- Offers protection against heat, flame and electrostatic hazards
- Double cuff system with internal elasticated wrist for added protection
- Double layer ankle design with inner elastication for enhanced security
- Double stormfacing covering the zip protecting the wearer
- Helmet-compatible hood with elasticated drawcord adjustment
- Ring-pull zip for easy donning and doffing when wearing gloves
- Base fabric includes cotton for additional comfort

Certifications

Suitable industries & applications
