

High-Visibility Orange Corded Cotton/Polyester Gloves with Impact Protection

Description

These cotton corded gloves have an 18 oz. orange cotton/polyester palm and feature a high-visibility orange polyester/spandex back. The soft, black TPR impact protection on the fingers and back of the hand protects the fingers and metacarpal bones. Features a Gunn cut pattern and wing thumb which reduces hand fatigue. These gloves are an excellent choice for applications that require hand visibility for safety. The knit wrist provides a comfortable, secure fit.

INDUSTRY

Agriculture	Oil and Gas
Carpentry	General Purpose
Construction	Warehousing

Features

- Durable cotton/polyester corded palm provides excellent grip in oily conditions
- Soft, flexible, TPR impact protection over the fingers and metacarpal bones provides tough protection
- Will not soak up water like chore gloves
- Excellent replacement for chore gloves
- Wing thumb for comfort, flexibility, and reduced stress on hands
- Knit wrist cuff offers users a secure, comfortable fit and prevents gloves from slipping off during use

ITEM **C190CPB**
