DISCUS

Lightweight 10-base curve lens safety glasses for panoramic protection with flexible, comfortable fit

The Discus™ safety glasses deliver lightweight comfort and dependable eye protection in a sleek wrap-around design. Featuring a 10-base curve lens for panoramic coverage, flexible nose piece, and inset TPR temple ends, these glasses provide a secure, comfortable fit for all-day wear. Constructed from premium polycarbonate and 100% virgin materials, the Discus offers exceptional clarity, durability, and performance for demanding industrial and occupational applications.

LENS OPTION

- ◯ Clear

FEATURES

- 10-base curve wrap-around lens delivers panoramic protection and visibility
- Ultra-lightweight design reduces fatigue during extended wear, promoting greater comfort throughout the workday
- Inset TPR temple ends provide enhanced cushioning and grip, helping eyewear stay comfortably in place
- Flexible nose piece adapts for a comfortable fit, reducing pressure points during prolonged use
- Wraparound coverage offers additional side protection, helping shield eyes from workplace hazards from multiple angles
- Premium polycarbonate lenses and frames provide durable impact protection without adding unnecessary weight
- Constructed from 100% virgin materials for superior optical clarity, helping reduce distortion and improve performance
- Flexible, ergonomic design combines comfort and protection
