BULLHEAD SAFETY®
EYE PROTECTION

POMPANO™

Lightweight full-frame safety glasses with 8-base curve lens and sleek arms for lasting comfort

The Pompano safety glasses deliver dependable protection in a lightweight, full-frame design built for all-day comfort. Featuring dual 8-base curve lenses for excellent visual clarity and coverage, they provide reliable eye protection across a wide range of industrial applications. Embedded TPR nose pieces and slip-resistant TPR temple ends work together to create a secure, comfortable fit, while the sleek frame design accommodates a variety of face shapes. Ideal for manufacturing, warehousing, maintenance, and general industrial environments, the Pompano combines comfort, durability, and performance in one versatile safety glass.

LENS OPTION

- Gray

FEATURES

- Lightweight full-frame design promotes all-day comfort, helping reduce fatigue during extended wear
- Dual 8-base curve lenses provide high visual correctness and coverage, enhancing protection without compromising clarity
- Wraparound lens profile improves peripheral awareness, helping workers stay alert to surrounding activity and hazards
- TPR temple ends deliver a secure, slip-resistant fit, so eyewear remains in place
- Embedded TPR nose pieces enhance stability and comfort, reducing movement during active tasks
- Full-frame offers added durability and protection, making these glasses ideal for demanding industrial environments
- Designed to fit a variety of face shapes, providing versatile comfort and wearability for a broad range of users
- Sleek, modern styling combines professional appearance with reliable protection
