WHIPRAY™

100% visually correct anti-fog lens safety glasses with flexible TR-90 frames for all-day comfort and clarity

Whipray safety glasses combine advanced comfort, durability, and optical performance for demanding work environments. Built with flexible, lightweight TR-90 frame technology, the frame bends under pressure to create a custom-contoured fit that remains comfortable throughout the day. The 100% visually correct anti-fog cylinder lens features a 10-base curve design for excellent coverage, enhanced peripheral protection, and crisp visual acuity. Soft, non-slip TPR nose pads and temple ends provide a secure fit, helping workers stay comfortable, focused, and protected throughout their shift.
