

Sapphire Nano Foam+

Ultra-Thin High Cut Resistant Glove with Nitrile Foam Coating

Outstanding level of cut protection and tactility on the thinnest liner possible. With a nitrile foam coated palm, the second skin feeling has never been better to work in oily and wet conditions.

Features

- ▲ 21 gauge seamless liner offers unprecedented level of fingertip sensitivity for precision tasks
- ▲ Durable nitrile foam palm coating ensures good protection against oily and wet parts
- ▲ Reinforced thumb crotch enhances durability
- ▲ Touchscreen capabilities to allow usage with screen devices
- ▲ Designed for easy movement and continuous wear
- ▲ Breathable back of hand to reduce perspiration
- ▲ Seamless knit prevents irritation
- ▲ Elasticated wrist provides a secure fit
