BULLHEAD SAFETY®
EYE PROTECTION

SWORDFISH®

Lightweight sport frame safety glasses with dual 8-base curve lenses and adjustable nose pads for custom comfort and maximum protection

The Swordfish® safety glasses combine athletic styling with dependable workplace protection. Featuring a lightweight sport frame and dual 8-base curve lenses, they deliver excellent visual clarity, wraparound coverage, and enhanced peripheral awareness. Adjustable nose pads and black TPR temple wraps provide a secure, customized fit that stays comfortable throughout the workday. Designed for maximum protection and all-day wearability, the Swordfish is an excellent choice for manufacturing, construction, warehousing, maintenance, and other demanding industrial environments.

LENS OPTION

- ◯ Clear

FEATURES

- Lightweight sport-frame design promotes all-day comfort, helping reduce fatigue during extended wear
- Dual 8-base curve lenses provide excellent visual correctness and extended coverage, enhancing workplace safety
- Wraparound lens profile improves peripheral awareness, helping workers stay alert to surrounding activity and hazards
- Adjustable nose pads allow for a customized fit, increasing comfort and stability for a wide range of users
- TPR temple wraps help prevent slipping, keeping eyewear securely in place during active tasks
- Sport-inspired design combines modern styling with workplace performance
- Engineered for maximum protection in demanding environments, delivering reliable eye safety
- Balanced blend of comfort, fit, and coverage makes it ideal for all-day use
