

# Retail: Alpha Sentinel Half Mask

## Reusable Respirator with P3H Filters

The Alpha Sentinel Half Masks are optimised with comfort and breathability in mind, using Alpha Soft Flex Technology and an ergonomic design that integrates fully with other PPE.

### Features

- ▲ Comes with P3H filters
- ▲ Well-balanced and light weight (140g), providing optimum wearer comfort
- ▲ Available in 3 sizes creating a tailored fit profile, superb fit and comfort for any workforce
- ▲ Fully adjustable head harness, offering easy fitting and adjustment, with a robust and trusted fit when in use
- ▲ Low profile shape to maximise the field of vision and allow exceptional compatibility with other PPE
- ▲ Sentinel filters are fitted with a simple connection which easily click into position
- ▲ Premium quality elastic strap provides a secure high comfort fit and retains mask positioning
- ▲ The large exhalation valve reduces heat and moisture build-up, providing low breathing resistance
