SNIPEFISH®

Ultra-lightweight sportsman's safety glasses with anti-fog protection and no-slip TPR comfort fit

The Snipefish® safety glasses combine sport-inspired styling with lightweight performance for workers who demand comfort and protection throughout the day. Featuring an ultra-lightweight frameless design and an 8-base curve single lens, they provide outstanding visibility, wraparound coverage, and a sleek modern look. Comfort-fit TPR temple sleeves and nose pieces deliver a secure, slip-resistant fit, while anti-fog protection helps maintain clear vision in challenging environments. Constructed from premium polycarbonate and 100% virgin materials, the Snipefish is an excellent choice for manufacturing, construction, warehousing, maintenance, and general industrial applications.

LENS OPTION

◯ Clear

FEATURES

- AF (Anti-Fog) lens: FSI brand hydrophobic anti-fog lens treatment reduces fog in many variable temperature environments
- Ultra-lightweight design reduces wearer fatigue, providing exceptional comfort during extended work shifts
- Frameless single-lens construction maximizes visibility, delivering an unobstructed field of view for improved awareness
- 8-base curve lens offers excellent wraparound coverage, helping protect against hazards from multiple angles
- TPR temple sleeves provide a secure, slip-resistant fit, helping eyewear stay comfortably in place during active tasks
- Comfort-fit TPR nose pieces enhance stability and all-day wearability
- Premium polycarbonate construction provides lightweight durability and dependable protection without sacrificing comfort
- Sport-inspired styling transitions easily from work to recreational use
