Economic Operator [EU]: Globus EMEA Ltd., 51 Dawson Street, Dublin, D02 AN25, Ireland.

STORAGE AND MAINTENANCE

We recommend storing Chemsol HG Lite garments in their original packaging, away from UV sources. After use, please follow the care instructions provided on the label. To remove any contamination, rinse the Chemsol HG Lite clothing with cold water and allow it to drip dry in a shaded area, away from UV sources. It is advisable to store Chemsol HG Lite clothing in a cool, dry, and clean environment.

NOTE: For hygiene purposes, it is recommended that the garment be worn by the same individual. **Fabric is a Biocidal Treated**

Article - Fabric is treated with anti-bacterial, (Active Ingredient: Zinc Pyrithione), with the sole purpose of controlling organisms harmful to the treated article/fabric itself.

CHEMICAL RESISTANCE DATA

For chemical permeation data, please contact our sales department at sales@globusgroup.com.
