

CH102

Durable, oil-resistant, triple-dipped PVC glove with extended cuff

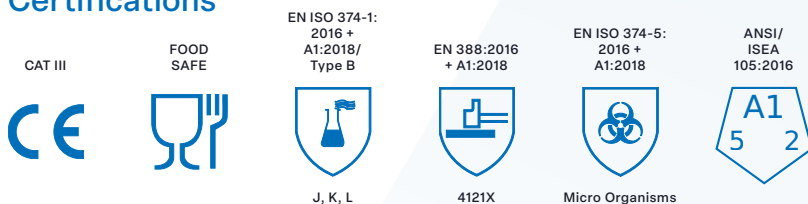

SKYTEC CH102 features a soft comfortable cotton lining and a rough textured PVC coating that ensures grip in contact with oils and chemicals. Extended cuff to protect the entire arm

Features

- Soft glove that absorbs perspiration, for comfortable extended wear with good mechanical resistance
- Seals and protects the hand against chemicals while remaining flexible
- Impermeable for working in damp or greasy environments, enabling you to grip objects securely
- Excellent abrasion resistance (EN388 Level 4)
- Surface provides tactile feel and better grip
- Designed for easy movement and continuous wear
- No irritation by seams in contact with the skin
- Arm entirely protected with the extended cuff
