

FROGWEAR™ KNEE PROTECTION

FrogWear™ Knee Protection Non-Marring Jelly-Gel Lined Premium Knee Pads

ITEM KP301J

Description

These non-marring, premium knee pads are lined with jelly-gel and feature an ergonomically curved fit cap with a diamond pattern surface. The top outer layer is a single-knit lightweight honeycomb mesh. They include medical-grade PU foam padding and an ergonomically curved fit. Each pair is individually hang-tagged for retail sale.

Features

- Non-marring, premium style lined with jelly-gel
- Ergonomically curved fit cap with a diamond-block designed non-slip cap increases traction
- Honeycomb single-knit top layer provides breathability
- Medical-grade PU foam padding for breathability and comfort
- Ergonomically curved fit
- Adjustable clip-on closures with buckles
