

Soft-Shell Polyester Eyewear Case with Cushioned Neoprene and Self-Closing Top

Item **BHSC**

Description

Protect your eyewear in style with this sleek, cushioned carrying case. Crafted from durable black polyester and neoprene, the soft-shell design offers reliable protection without adding bulk. The top features a breathable foam mesh panel for added ventilation, while the self-closing squeeze-top opening ensures quick access and secure storage. Ideal for sunglasses, reading glasses, or everyday specs, this case combines practicality with a modern, minimalist look.

Each item is individually hang-tagged for retail sale.
