

## FrogWear® Premium Neoprene Smooth Finish 10-Inch Chemical Handling Gloves

### Description

These heavy-wall supported chemical handling gloves are multi-dipped in premium-grade heavy black neoprene for superior quality and durability. They grant protection against chemicals, acids, and solvents. They also offer excellent all-around protection against abrasion hazards. The smooth finish is good for dry grip. Features an antimicrobial-treated cotton interlock liner that reduces bacteria. The gloves are 10 inches long with a knit wrist that prevents the gloves from slipping off while in use.

### INDUSTRY

Material Handling	Degreasing
Petrochemical	Oil and Gas Refining
Chemical Processing	Galvanizing
Mining	Plating

ITEM **9900**

SIZES **ONE SIZE**

### Features

- Multi-dipped in premium-grade black neoprene
- Soft cotton interlock liner is permanently adhered to the shell and adds extra comfort plus durability
- Smooth finish for good dry grip
- Actifresh® treated liner reduces bacteria that cause odors and can lead to dermatitis
- 10 inches in length
- Resistant to solvents, greases, and oils
- Protection against alkaline and acids
- Knit wrist cuff offers users a secure, comfortable fit and prevents gloves from slipping off during use
