

## FrogWear® Cold Protection FDA Compliant Extreme Cold Anti-Freeze Nitrile Chemical Handling Gloves

### Description

These 12-inch supported cold weather and chemical handling gloves stay flexible in temperatures down to -50° F. The shell is high-visibility orange anti-freeze nitrile with a sandpaper finish for an enhanced grip. Inside the glove is honeycomb mesh with Cold Keep® insulation for added warmth. The cuff has reflective overcasting on the outside and a 2-inch heavy velvet interior. The wing thumb increases comfort and flexibility. These gloves comply with FDA regulations for food contact.

### INDUSTRY

Cryogenics	Commercial Fishing
Freezer Applications	Petrochemical
Maintenance	Utilities
Automotive	Construction

ITEM **8450**

SIZES **8(M)-10(XL)**

### Features
