

Lens Clear Anti-Fog

Frame Gray and Red

Description

Engineered for all-day wear in demanding industrial environments, Ligerá™ delivers superior eye protection in an ultra-lightweight, sports-inspired frame. Weighing just 16.5g, Ligerá™ offers exceptional comfort without compromising on safety. Its sleek 10 base curve design and integral nose piece ensure a secure, ergonomic fit, while dual-molded temples with TPE ends provide a snug, pressure-free grip for prolonged use. Built to perform under pressure, Ligerá™ features UV400 panoramic lenses with dual anti-scratch and anti-fog coatings on both sides, offering uninterrupted clarity and protection even in harsh or humid conditions. The high-impact resistant lens withstands extreme temperatures from 23°F to 131°F (-5°C to 55°C), making it the ideal choice for varied worksite conditions. With full wraparound coverage and optimal optical clarity, Ligerá™ ensures maximum safety, visibility, and wearer confidence in any industrial setting.

Technology

This style features lenses constructed with the highest quality polycarbonate, temples made with polycarbonate and Thermoplastic Elastomers (TPE), and the nose piece and temple ends made with TPE material.

Features

- Lightweight frameless design with slim wraparound style lenses
- Panoramic lenses offer full wraparound protection and optimum vision
- Sleek sports design with a 10 base curve
- Super lightweight with just a 16.5 gram weight
- Anti-scratch and anti-fog dual coated UV400 Lenses
- Dual molded temples with TPE temple ends for maximum fit and comfort
- High-impact resistance under extremes of temperature (23 to 130°F)
- Meets ANSI/ISEA Z87.1-2020 high impact standards

MEETS ANSI/ISEA Z87.1-2020 STANDARDS
