

## FrogWear® HV High-Visibility Insulated Winter Bibs with Polyurethane Coated Oxford Polyester

### Description

These insulated winter bibs are high-visibility yellow/green with a polyurethane-coated 300D Oxford polyester exterior. Black ripstop material below the knee for added durability. The black quilted polyester taffeta interior provides a smooth, comfortable fit. Features 185g/m<sup>2</sup> polyester insulation, 3M™ reflective material with contrasting orange trim, and fully taped seams. Adjustable elastic shoulder straps include buckles for a custom fit. These bibs have an elastic back at the waist, a reinforced triangle crotch, a rear right hammer loop, and hook-and-loop elastic leg cuff storm flaps. The pockets include four outer front pockets and two outer rear pockets. The right pocket has pass-through access to reach garments worn under the bibs. The closures include a two-way zipper and metal snaps front closure with a storm flap, as well as a two-way extra-long zipper and snap closure along the side of the legs with a storm flap.

Each item is individually hang-tagged and packaged in a polybag for retail sale.

### ITEM GLO-700

### SIZES S/M, L/XL, 2XL/3XL, 4XL/5XL

### Features

- High-visibility yellow/green polyurethane coated 300D oxford polyester exterior with black bottoms
- The PU (polyurethane) coating provides a durable water-repellent finish
- Smooth black quilted polyester taffeta interior allows for easy donning and doffing while providing good durability and breathability
- Quilted interior with 185g/m<sup>2</sup> polyester insulation
- 3M™ reflective material enhances low-light visibility
- High-visibility orange contrasting trim
- Black bottoms hide dirt for a clean appearance
- Black interior
- Reinforced triangle crotch provides additional tear and rip resistance when squatting
- Durable ripstop material below the knee provides increased tear resistance
- Fully taped seams are waterproof and windproof
- Elastic back at the waist to help provide a snug fit
- Adjustable hook-and-loop elastic leg cuff storm flaps keep the elements such as snow and wind from getting to the user
- Two-way zipper and metal snap front closure with a storm flap
- Two-way extra-long zipper and snap closure along the side of legs with a storm flap allows easier donning/doffing and access to put on footwear
- Adjustable elastic shoulder straps with buckles
- Rear right hammer loop
- Front right side pocket access allows you to reach into the pocket of the garment worn underneath these bibs
- Total Pockets: Six - (4) front outside and (2) rear outside
