

Samurai Glove® Seamless TuffKut® PVC Dotted Cut-Resistant Gloves

Description

These cut-resistant gloves have a 10-gauge heavyweight TuffKut® shell, a revolutionary duracore spinning process, and an innovative silicone-reinforced fiber that brings exceptionally high cut resistance, incredible dexterity, and tactile sensitivity. They are yellow with black PVC dots on both sides for better grip and a reinforced thumb crotch for extra protection and wear. TuffKut® has comparable heat qualities to aramid fiber material and is bleachable. These gloves will not degrade in sunlight. Each pair is individually packaged in a polybag.
